My apologies to Kathy Moerbe and the entire NJWRC membership for the delay in my reports being sent for printing in the Fluff.

Nearly the entire sweepstakes was figured and ready for print prior to August 31, however in transferring files from one computer to another in order to do the final calculations, my sweepstakes file somehow got corrupted, and I was only able to recover about 1/2 of the data. I had to redo the remaining 1/2 by hand (nearly 450 shows), which took a considerable amount of time. The problem has now been resolved, and I look forward to the new sweepstakes year.

Congratulations to all of those that placed well in the contests. You must consider the expense, time, effort, and dedication of those that participate in the sweepstakes contest, as it is these people that are true supporters of the breed. Without the sweepstakes contests, a lesser number of animals would be shown each year, and the exposure for the breed and NJWRC would deteriorate.

Although some may feel trying to do well in the sweepstakes contests is simply a means of "buying" recognition by entering a large number of animals, without those participants the Jersey Woolly breed would not be as visible at the shows. In addition, several people scoring well in the contests do not enter a large number of animals, but rather simply attend a tremendous number of shows. My hat is off to those supporting the breed.

Please feel free to contact me at any time if you have questions regarding the sweepstakes contests. You can email me at rwgehr@aol.com or rwgehr@peoplepc.com

If sending in questions regarding sweepstakes, please ALWAYS include the date of the show in question, club sponsoring the show, and all pertinent data regarding your concern.

Thank You

Richard Gehr,
NJWRC Sanction/Sweepstakes Chair
